NLIS (SHEEP & GOATS) UPDATE

Operators of agricultural shows are now required to ensure that electronic NLIS (Sheep) tags on the sheep and goats exhibited at the events that they conduct are scanned, with movements reported to the NLIS database using the 'sighted' function.

INTERSTATE SHEEP AND GOATS

Interstate sheep and goats entering Victoria to attend an agricultural show or similar event must be identified with a visually readable NLIS (Sheep) tag, according to the rules of the state or territory from which they originate.

Interstate sheep or goats leaving a show, regardless of their destination, will not require an electronic NLIS (Sheep) tag. There is no plan to remove this electronic NLIS (Sheep) tagging exemption for interstate sheep and goats entering Victoria to attend a show or similar event.
